

A white smoke alarm is centered in the frame, surrounded by stylized, translucent flames that appear to be rising from the sides. The background is solid black.

**Wake Up to
Smoke Alarms**

It's the Law

It's the Law

Make sure you have working smoke alarms installed...

A smoke alarm will alert you to a fire, giving everyone valuable time to escape to a safe place.

Your protection against fire increases with the quality and type of smoke alarm that is installed.

Install a photoelectric smoke alarm.

Test and clean your smoke alarms regularly.

Change the battery at least once a year.

Replace smoke alarms according to the manufacturer's warranty.
